

BRAND POSITIONING & INFLUENCE WORKBOOK

# Building Authority

*Practical frameworks for establishing industry expertise, trust, and premium market positioning.*

BY @VEEMETA

## MODULE 1

# The Three Pillars of Authority

*Authority is built on Competence, Consistency, and Character. Without all three, influence is fragile.*

| I. Competence                 | II. Consistency              | III. Character             |
|-------------------------------|------------------------------|----------------------------|
| Proof of knowledge & results. | Reliable presence & message. | Integrity, ethics & trust. |

## 01 PROMPT What is your core domain of unquestioned competence?

*Where do your results, knowledge, or experience stand out?*

## 02 PROMPT What proof points currently validate your authority?

*Case studies, testimonials, metrics, public track record...*

MODULE 2

# The Authority Audit

*Honest evaluation across 5 critical dimensions of market authority.*

| DIMENSION           | SCORE (1-10) | STRATEGIC ACTION |
|---------------------|--------------|------------------|
| Domain Proof        | [   / 10 ]   |                  |
| Clarity of Stance   | [   / 10 ]   |                  |
| Content Depth       | [   / 10 ]   |                  |
| Network Gravity     | [   / 10 ]   |                  |
| Emotional Composure | [   / 10 ]   |                  |

03

PROMPT

What single action would double your proof in 90 days?

*Focus on your single highest-leverage asset...*

## MODULE 3

# The Conviction Engine

*Authority requires opinions. Neutrality creates zero gravity.*

## 01 PROMPT What opinion in your industry are you willing to defend publicly?

*What do you believe that most people in your field get wrong?*

---

---

---

## 02 PROMPT What is your non-negotiable professional code?

*What will you never compromise on, even for money or attention?*

---

---

---

## 03 PROMPT What is your 'Borrowed vs Owned' Authority balance?

*How much of your authority comes from your own original work vs affiliations?*

---

---

---

## MODULE 4

# The 90-Day Authority Build

*Three phases to systematically build authority and industry positioning.*

## 01 PROMPT Phase 1 (Days 1–30): Foundation & Proof Assets

*What foundational breakdown or flagship guide will you publish?*

---

---

---

## 02 PROMPT Phase 2 (Days 31–60): Deep Signal Content

*How will you elevate your weekly content depth?*

---

---

---

## 03 PROMPT Phase 3 (Days 61–90): Distribution & Alliances

*Who are the key peers and platforms you will collaborate with?*

---

---

---

## THE BUILDER'S OATH

***“I will not confuse attention with authority.  
I will build real competence, publish honest proof, and  
stand on conviction.”***

*Consistency becomes credibility. Credibility becomes gravity.*
